GILDAN®

CLASSIC

A timeless shirt, which has a generous, comfort-forward cut and fuller sleeves for free movement throughout.

CLASSIQUE

Un classique intemporel, une coupe confortable et des manches amples pour une plus grande liberté de mouvement.

SEMI-FITTED

The sleeves and shoulders fit closer to the body.

SEMI-AJUSTÉE

Coupe à manches et épaules plus près du corps.

FITTED

Contoured and side seamed shirts for a more next to body fit.

AJUSTÉE

Coupe aux contours féminins et coutures latérales qui épousent la forme du corps.

SEMI-FITTED

Slightly contoured, side seamed shirts for women who like a slightly looser fit with shape.

SEMI-AJUSTÉE

Coupe aux contours féminins, pour les femmes qui aiment les coupes ajustées légèrement plus amples.

CLASSIC

Our original ladies' tee. It features a tubular body with feminine neckline and sleeves.

CLASSIQUE

Coupe à forme en tube avec manches et décolleté féminins. Un véritable classique.

ORDERING

For fast imprinting, we keep good stock of the most popular colours in our Basic Cotton Gildan 2000 and Premium Cotton M&O 5500 Unisex T-Shirts. Design online or visit our brick-and-mortar store during regular operating hours to place your order.

We currently do not offer all catalogue items to be designable on the website. Best to visit the store and supply your graphics in person or email them direct to us for review (info@iwerx.net) with your catalogue selection choices.

All other items in the catalogue typically require an additional 2-day shipping time. This is on top of any required imprinting production time.

For non-stock items, there is a minimum order of two (2) pieces. You can mix-and-match items from any category. Alternatively, for single orders, you can choose to pay a \$7.50 shipping fee. Optionally if not in a rush for your single item, we can 'piggy-back' it on a future volume order which typically occurs a few times a month.

Not finding what you're looking for? We have access to 100's of additional styles from various brands. Simply inquire with us and we can help you find your special garment.

IMPRINTING PROCESSES

Direct-to-Garment (DTG)

The most versatile of our printing processes. Allows photo-quality full-colour printing on most types of cotton and polyester garments with a minimum of 1-item. No screen setups. Highly washable and durable.

Heat-Press Vinyl - Spot Colour

Best choice for 1-colour lettering and simple graphics. Very durable and can be imprinted to most types of garments. A great solution for odd items or difficult placements.

Heat-Press Vinyl - Full Colour

When full colour is required but DTG is not a possibility due to fabric, placement or item type. Reasonable durability and best designed for low-wear items.

Embroidery

High-resolution multi-colour embroidery service is available for a minimum order of 7 items. Graphics require DST digitizing which is at additional cost. This is a one-time fee per design and we provide you a copy of your DST file.

Silk-Screening

Classic 1-3 colour screen printing is offered for orders over 50 pieces. Inquire with us if your order qualifies.
